Commodore's Comments

Hello to all the OBC members,

I hope you all had a great Christmas and New Year's Day. It's hard to tell if this is the boating season or not. The temperature isn't that much different than it was in June. I know we're all looking forward to a long boating season this year. I'm hoping for at least 34 weeks of boating versus the 4 weeks we had last year. If anyone did not get an invitation to the Commodore's Ball, please let us know as you can still attend. Last year we had a lot of excellent events and we are planning on an even better year in 2010. If each of you could please come up with an idea or two that we can add in for next year, it would be helpful. This can be anything in addition to boating if you want, such as, perhaps a camping weekend or a snowmobiling day or weekend for the end of this season or next winter, or perhaps a Packer's, Brewer's or Badger's game. We will have open events to fill. Let's keep an open line of communication this year with going to Stretch's and Becket's. The more people the better when it comes to the OBC. This is your club, make your wants known to the board members in 2010, obviously we can't accommodate all requests, but if things are able to be done, we can bring it up for a vote to the full membership. We are here to try to ensure things run as well as they can. The people of the OBC can and will create a fantastic boating season in 2010!

Looking forward to seeing all of you at the Commodore's Ball,

Commodore Kevin
