Commodore's Comments

Well we had another very successful Commodore's Ball Captained by Scott and Sheri. They and their crew did a fantastic job of getting door prizes and trying the new buy a box type of pyramid raffle. I truly appreciated Betty's DVD of past events at the end of the meal. It brings back a lot of great memories from the year. Thanks to Tim, Betty, and Brad for making copies and selling them for only \$5.⁰⁰ with the profits going to the boat club. We survived our booze quotas and had a great time dancing. The after party was one to remember. How many people did we fit in the chair...and it didn't break? Tommy Shaw proved he can work with Dennis DeYoung at least for one night. The Styx concert was fun to watch and see them back together again. We weren't loud enough to get kicked out of the hotel so I guess we did quite well.

We do have several events yet which need a Captain, crew, or both so don't be shy to sign up to run an event. If you're afraid, the person who ran it this last year, I'm sure, will give you advice on how to set things up for this year's event.

The groundhog didn't see his shadow here, so I'm not sure if we're having 6 more weeks of winter or if spring will be here in 6 weeks...figure that one out. But one way or the other spring will come this year for sure because it missed us last year. We'll see you at the next meeting on Feb 24th at 7:30 P.M.

I do have a puzzle for someone to figure out before the next meeting please. How come one match will start a forest fire, but it takes two boxes of matches to start a campfire? Whoever figures this out can have at least one free glass of beer from the pitchers in the meeting room.
